MISSION

Our mission is to provide an opportunity for young professionals to interact socially

with their peers, give back to our community, learn valuable lessons and play a role in developing future leaders.

ABOUT US

Young professionals represent a vast array of the area's workforce and come in all sizes, shapes, educational experiences, nationalities, and business backgrounds and industries including accountants, artists, bankers, engineers, non-profit workers, attorneys, small business owners and everyone in between. No matter what your employment, you'll be comfortable with this group. It's a great way to meet new people, expand your base of friends and give back to the community.
